SHABKEY MAY CHALLEN IS.

"Yuh think you're looking at a dead one," said Mr. Sharkey, "but I want to tell you hall that I'm better to-day than I ever was and I'm not sure that the said over the humanish over the loins.

Others who claim to know something defines, however, says he feels well about the humanish over the loins.

Others who claim to know something defines, however, says he feels well about the humanish over the loins defines to a minimum above the loins.

Others who claim to know something to a minimum above the loins defines the humanish over the loins defines the humanish of the humanish of the humanish over the humanish of the hu tell youh all that I'm better to-day than high after the fight. Lucky members of these special parties will sleep and dimension than the master mind on their trains, and they can put a gented finger to the mose any time a man asias them how they the life in Reno.

The "millionaires" special from San Francisco, which is to be the classiest train of the lot outside of the New York.

anxiety to land a particularly tempting front. Terror and the contemplation of an awful tragedy dogged the foot-

dance of the ciphers. If Jeffries has covering miles up above \$800,000 trained himself down from a fat man to a mountain of dynamic muscle and if Johnson has drilled his black body to a hair's fineness of perfection, what about the little ciphers which have been taught to hop and skip from one column on the recovery tooks to another, to you up from and by beds is meant anything upon which

men, a former roustabout from Galveston and an alfalfa farmer of Los Angeles county, have made the dollars marshal themselves into long lines with little semselves into long lines with little one white man and one black man agree-ing a marks dividing the hundreds from ing to pound each other for a price.

Browse a little further in this pasture

out from bank vaults and family stockings, whirl about in a mad freuzy and then go back into other hands.

To begin with, there's the purse of \$101,000, the greatest prize over striven for by two puglists. It is to be split 75 to 25. The man who stands while Referee Rickard lifts a counting finger ten times over the one who falls will receive \$75,750. The beaten one will have to content himself with a paltry \$25,250. But here s a sum which must be added to content himself with a paltry \$25,250. The above is only a scratching of the surface of statistics and it does not consider the surface of statistics and it does not consider the statist about the shift from Sunup or July 15 statistics and it does not consider the statist about the statist about the statist about the statist about the statist as when I fought Corbett, Fitzsimmons and Shurkey. This will be my list fight and I'll be ready for it.

"I never felt better in my life and I'm going into the ring confident that I'll win. I can't say whether it will be a long or a short fight. I will knock this fellow out in a punch if I can't say whether it will be ready to go the full route of forty-five rounds. I can't tell how I am going to fight or what I shall do until the fight actually begins to Reno has been a source of benefit and has just about put on the finishing touches. \$10,000 was given to each by the pro-moters. It is pretty generally understood that each fighter promptly but this money

Consider then just what immediate prize money will be Jeffries's if he should win, and no prophecy is attempted here. First there is that \$75,750 of the purse. Add to that \$20,000, representing his bonus and his winning of Johnson's bonus. That makes \$95,750 actually in the sweaty

JOHNSON NOT SO WELL OFF

Goldfield Heavy, who used to be a part ner of Nat Goodwin in various mining ventures here, is taking the Johnson end of the betting. He has \$5,000 down at the brought home can be made in the ochs offered by Lawler's pool of world's champion. First there would not need any that he will drop another thousand just the minute the ocids get.

Shown lamp side bet. That's \$05,750, the same as in the case of Jeffries. Now Johnson has sold his rights in the moving for Mose Genst, the San Francisco cigar pictures for \$20,000. He has that condealer and heavy weight local sport to in his pocket whether the pictures need drop in on Reno. It is whispered that the their owners much or not so much accord-

to bet on the negro. Jack Kipper, who is a partner in Jeffries's Los Angeles salcon, is on the ground waiting for Gunst with money enough from the Jeffries admires in the southern town to cover overy dollar, so he says, that Gunst may care to of the manager's money for this service to the stage. So the grand total of the black man's winnings will be \$164.750 if

that Johnson will last fifteen rounds are being taken up.

Late last night when all of the New has backed himself enthusiastically or

Late last night when all of the New York patiers were put to bed and even the Pacific coast night editors were beginning to whip their first pages into shape Reno was shaken to the foundation by a whispered word from Moana Springs.

IEFFRIES DROWNED NOT EXACTLY.**

Jeffries was drowned That was it haldly. An auto came tearing in over the black roads, a reporter jumped out and Jack Gleason, the daring masters of finance who are staging to-morrow's exhibition, are free to almit that they don't expect to make as much money as

their lamps as they took bridges and bumps like frightened jackrabbits on the road to the Springs.

When the correspondents arrived they saw a silhouette which looked like a heroic statue of Jupiter outlined against the vellow window shade of the champion room. They dashed against Roger Cornell and Bob Armstrong coming out of the kitchen door. Breathlessly they asked the details of the revivilying of the unbeaten champion.

It seems that Jeffries had.

fishing in the Truckee about sundown, post even though the enterprising business so the trainers said, all alone. He hit man of Reno have paid for the crection the river about a mile from camp at his of the arens and the \$1.000 hourse reof the arena and the \$1.000 house to quired by the State of Nevada, the pro-motors say that they will be satisfied:
